

CHIT CHAT 2019

Jávea / Xàbia (Alicante) - J1 (01 July—12 July 2019)

CHIT CHAT is a school where you can learn English having fun. The teachers motivate the children to learn English, play games and listening to music which is good because the students don't get bored.

In our opinion, the food isn't very good but it's healthy and the menu has got a lot of variety.

The best activities after lunch are swimming and playing table tennis but there are more activities such as football and crafts that are also very entertaining.

Aqualandia was an exciting trip that everyone enjoyed and going kayaking was an interesting activity but it was very hard! In conclusion, Chit Chat is a good experience to learn English having fun.

At Chit Chat people love sports because everyday you do it, you can't avoid it! Even when you go to the classes in the morning you have to walk uphill!

The activities in the afternoon include tennis, table tennis, football, basketball, archery and swimming and much more.

Also Chit Chat offers different activities for all the students such as kayaking and on Friday we went to the beach to play sports on the hot sand. In conclusion, it seems sport is important at Chit Chat after learning to speak English!

Chit Chat is very different from other summer schools. For a start, the classes are in the open air amongst the trees. They aren't boring because the teachers are nice and also we do something different after the break.

Written by Soraya (14) - Mike S

At Chit Chat I am in the first class with Kate and I am learning English. I also like the activities such as table tennis and swimming and my favourite food is the pizza.

Written by Cristina (10) - Kate

I like reading in English at Chit Chat. I like the table tennis but I don't like swimming. My favourite lunch at Chit Chat is the pizza but I don't like the salad. My favourite teacher is Kate!

Written by Nico (10) - Kate

I like the second class at Chit Chat, I know lots of things. I like the football and the kayak and my favourite food is the pasta but I don't like the lasagne or pizza.

Written by Adriana (9) - Kate

I think the lessons at Chit Chat are funny! I like the swimming pool and the archery but I don't like football. I like the pizza but I don't like the salad.

“We mustn’t speak Spanish!”

Learning English with Chit Chat

In the morning we do bookwork and speaking activities. We speak a lot of English and we mustn’t speak Spanish! Sometimes we play Word games like “Stop the Fire” and “Hangman” or we speak about our day before. After the break we do other activities such as fashion shows or workshops. We really like Chit Chat because we have a lot of fun and you meet a lot of new friends!

Carolina (14) and Gisela (9) - Petra

CHIT CHAT is a really nice place and next year I want to come again because I have fun all day. And because the teachers are so nice!

Sofia (10) - Voldis

I want to come to Chit Chat again because I have made a lot of friends and the activities are very fun (my favourite is the beach). The teachers are very nice but I don’t really like the food! The host family is nice, they always give me delicious snacks!

Marta (11) - Voldis

I like Chit Chat because the teachers are nice. We do a lot of activities, for example, archery, football, swimming pool, tennis, table tennis, crafts and they are all really fantastic! I have a lot of fun with my friends; I talk and I laugh!

Claudia (11) - Voldis

I want to come to Chit Chat again because of the activities; we play table tennis, football, archery and tennis. The food is delicious and you can sit with your friends. The teachers are awesome!

Pablo (11) - Voldis

Chit Chat is an English camp in Jávea. You learn English and have fun and after the camp you also do activities with your host family. In the morning you do clases with a workbook and you do some speaking as well. In the afternoon at the camp you do activities like tennis, archery, swimming, etc. And you go on excursions such as a trip to Aqualandia, the Arenal beach, etc. I like Chit Chat and I recommend it for everybody.

Miguel (13) - Mike W

Chit Chat is a great camp because you have a good time, you make a lot of friends and you can do a lot of activities as well as learning a lot of English. After the class and the activities, you go to the host family house with other students. I recommend Chit Chat because you learn with friends and you have a very fun time!

“They always look after us!”

Living with a Host Family

MY host family is really nice. They always look after us and we do a lot of different things, such as going to the swimming pool or the beach, play board games and go to the shopping centre. I like the food that they prepare for us a lot. Every day that give us something different, a burger, pasta, meat, vegetables, pizza - and they are very good cooks! I feel very comfortable with my host family.

Helene (11) - Voldis

My host family is so nice. They live on an urbanisation with two swimming pools and our bedroom has three beds and a bathroom just for us. The food is delicious and after we have done the washing up we play board games with the family. They are very good with us all.

Maria (11) - Petra

My English family are very kind and we go out almost every day after school to make new experiences, for example we have been to see a film on the beach twice, we went to a swimming pool and we ate a Chinese meal!

Alice Deconde (12) - Vanessa

My host family is nice, We usually go to the pool or to the beach and we also watch Wimbledon tennis. Sometimes I don't like the food but most of the time

it's very nice - spaghetti, vegetables, ice cream ... we also went to the restaurant one day to have some excellent food.

Cayetana (10) - Voldis

In our opinion we think that living with an English family is better than going to a residence with other students. Your English family offers different activities to do with them like going to the beach or the shopping centre and enjoying the cinema. And you're not alone, you're with other students so you can have a very good time with the family who try to make you feel happy. The food is also better than Chit Chat food because they want you to taste typical English food.

Alejandra (15) & Carlota (14) - Mike S

My host family is very nice and the food is very very good; sometimes we have pizza and then we have spaghetti. The house has a swimming pool and a very big garden with a lot of trees but also a lot of bees which isn't very cool! The bedroom is comfortable and very beautiful.

Patricia (11) - Voldis

“It has been a great experience!”

Living with a Host Family

I like my English family because they are very nice and they cook very well. The house is huge! And the mother painted my nails which I really liked!

Maria (12) - Vanessa

My host family has a normal swimming pool and the food that they make is the best, it is very good. The pets are very nice and the parents are very friendly. In the pool we have some hammocks to lie in. The bedrooms are nice. We have been to the beach twice with our host family. I recommend staying with host families because it is a great experience.

Alex (13) - Mike W

My family are very nice people. They have a big house with three bedrooms and a bathroom, a swimming pool and four hammocks. We sometimes go to the beach and to the communal swimming pool. On Sunday we had a barbeque with our friends. So if you want to have a funny summer, I recommend coming to Chit Chat and if you are with a host family, you will have a very funny and nice summer.

Mª Mar (13) - Mike W

I stayed with Evie's family for two weeks. The first day they received us very well, making us comfortable and happy. They always have a smile and they help you with everything you need. They have a big house with a swimming pool. They also have several pets; three dogs and seven cats. Clare cooks very well and always asks us about what we

would like to eat. Roddy, the father, always makes us laugh and he teaches us a lot of English. The best part of this family is that they always do activities with us and we have a lot of fun learning English with them. In my opinion they are a lovely family and I would recommend them to anyone!

Izaro Folez (13) - Mike W

“I screamed a lot on the slides!”

A Saturday at Aqualandia

Aqualandia is a water park in Benidorm and it's nice to be with friends, have fun and eat some slushes! This year they have put a new slide called 'Cyclon', a blue and white slide with a part like a funnel. There are other slides such as 'Black Hole' and Vertigo. Some of them have lights or you need a rubber ring to go in them but they all are fun. There is also a children's park with floats and small slides.

Laura (12) & Lucas (13) - Petra

On Saturday we went to Aqualandia and we went on lots of slides. The first one was called 'Rapido' and we were sitting in a big rubber ring and there were some waterfalls so the lifeguard pushed us and we went down them! After lunch we went on the 'Super Zig-Zag' which was a very big slide with a lot of zig-zags and then we went to the 'Splash' but I didn't like it because it went very fast and I was scared! But we still had lots of fun at Aqualandia!

Carla Gómez (10) - Voldis

On Saturday we went to Aqualandia in Benidorm and we were excited because there was a new slide called 'Cyclon'. There was a long queue but it was worth it! At the beginning I was scared but then it was great fun, so fast and I liked it.

Jorge (15) & Maria (13) - Mike S

What I like most about Aqualandia was the big slides and I loved it because I had lots of fun! I went on the 'Vertigo' and I loved it because it was very fast and I screamed a lot! Afterwards I went in the

big pool that makes waves and then on the 'Super Zig-Zig' which I loved so much!

Roisin (8) - Voldis

When we went to Aqualandia we did a lot of things and it was very fun. I was a little scared when I went on the 'Splash' slide but I like it a lot when I was on it. Afterwards we went to the lagoon which was great fun as there were a lot of activities to do.

Martina Ferrer (9) - Voldis

Aqualandia was great fun! We went on a lot of attractions and we have a very nice time with friends. A lot of people went to 'Vertigo' but it was very scary for us! On the way home, the air conditioning on the bus leaked onto Luca's head!

Claudia (12), Angela (12), Alicia (11) - Vanessa

Last Saturday we went to Aqualandia. It was so much fun!! We went by bus and when we arrived, we put on sunscreen and we started to go on the slides. All the students were very excited because there was a new slide called "El Ciclón". At 1 o'clock we went to eat lunch because we were very hungry. Some of us bought hot dogs whilst others ate sandwiches. Finally, at 4 o'clock, we return to our host family. It was an amazing experience and I recommend it a lot!

Amparo (13) - Mike W

“The activities are really cool!”

The activities on offer at Chit Chat

The activities are something we all want to do because we are always doing an activity that we want or not. In my case I like to do archery and I also like to play basketball or go swimming. But I also don't like some of the activities such as football and the boring games. Some of the games that we all know are chess, table tennis and basketball and those games are ones that many people like to play.

Diego Barrios (10) - Voldis

There are many activities to do at Chit Chat like football, basketball, table tennis, tennis, etc. If you choose the beach, you get to stay for two hours but if you choose other activities, you can only do them for an hour and then you have to change. All the activities are very interesting.

Nicolas (11) - Petra

The activities that I have liked have been the crafts and archery. I love crafts because I like being creative. I also like archery because it's fun. I don't like tennis and basketball; I don't know why, I just don't like them because I get bored quickly.

Sienna (9) - Voldis

The activities are very funny and you can choose what you want to do. You can do crafts and swimming or go to the beach; you can also play on the Wii and play table tennis. My favourite activity is the beach and I really don't like playing on the Wii.

Berta (12) & Alicia (10) - Vanessa

The activities are really cool. I think the best are the beach and the swimming pool. Crafts is great too. The sports are great but I think if we have games like “the crocodile” and “pots” it will be even more amazing. Giant board games would be a good idea as well. But the treasure hunt is a Little boring because we are not looking for real treasure! I think it's ice cream and sweets.

Helene M (11) - Voldis

Between 3 o'clock and 5 o'clock you have to do two activities, one for each hour. You can also choose to go to the beach which is for two hours. I think the pool is the best activity because the weather is hot

and I like water activities in the summer. I also like playing football with my friends as well as archery. Enjoy your activities!

Irene (13) - Petra

“The activities are so much fun!”

The activities on offer at Chit Chat

My favourites are the Wii because I like playing Mario Kart and going to the beach. There are also special activities such as kayaking and going to the Arenal beach in the evening. And we go to Aqualandia; yes, I think that was the best activity!

Maria (13) - Mike W

We went to the beach on the first Friday. The sand was very hot and we played different sports such as football, basketball, volleyball or went swimming in the sea. The sand was very very very hot so we couldn't take off our flip flops! The teachers organised little matches between our classes. We also did swimming races in the sea. It was a fantastic day with my friends.

Elsa Ferrer (13) - Mike W

Last Saturday we went to Aqualandia by bus, we arrived at 11 o'clock and we had a lot of fun. We stayed in the waterpark and the first thing we did was a photo, taking a picture with the typical Aqualandia animal. Then we put on our swimming costumes and some sun cream. We went into the water but I was scared because the slides were very big. Finally I had an awesome time and I went on all the slides such as “Vertigo” and “El Ciclón”. Then we had lunch, a delicious hot dog. After this we continued to have fun and we went back to the house at 5 o'clock. I recommend this experience a lot!

Blanca (13) - Mike W

At Chit Chat there are a lot of activities for two hours each afternoon. They are very exciting. You can do sports like tennis, football, basketball, table tennis and go swimming. There are also other activities such as crafts, playing on the Wii and board games. We can also go to the beach for a couple of hours. All the activities are nice and cool but I prefer going to the beach. I like the activities because they are so much fun and entertaining.

“We explored a cave!”

Kayaking with Chit Chat

We went to a beach in Jávea and they explained how to use a kayak. Then we stopped at a rocky beach where we explored a cave and we also stopped to eat a ham sandwich-. twenty minutes and afterwards we went kayaking again. At four o'clock we went to the beach and then took the cars back to the Chit Chat camp.

Hugo García (12) - Petra

We had a great experience on the kayaking and the monitors are very funny. The sea was calm and we needed to put on a lot of sun cream! We finished very tired as the kayaks are very difficult to steer!

Jorge (12) & Ander (12) - Vanessa

One of the best activities that I have enjoyed this year at Chit Chat was going kayaking with my group. We went for three hours. After we had changed, we took one kayak for two people. We went to some rocks and we jumped from the top into the water. Afterwards we went to a small beach where we had lunch. When we had finished, we returned to the beach where we started and we swam in the sea until we came back to the camp. The experience was very beautiful and I like it so much.

Andrea Ferrer (13) - Mike W

Last week I went kayaking with Petra's class. We took two cars because there were ten people. When we arrived, we stayed on the beach for twenty minutes. This activity was so funny, it was like an adventure. We went kayaking for three hours but we stopped to have lunch. We had a kayak for two people. We went snorkelling, we swam for about

Beatriz Bueno (13) - Mike W

“I think it’s the best school food!”

Enjoying lunch with Chit Chat

The food at Chit Chat is very variable. There are always three plates as well as bread and it’s very good, it’s not cold and I think it is the best school food.

Cynthia (12) - Petra

They give us good food. Sometimes they give us ice cream which is great! But I don’t like the pizza or lasagne!

Charlotte (9) - Vanessa

The food at Chit Chat is very good and the only problema is that it is a lot of food for me! My favourite is the pasta carbonara but I don’t like the lasagne. The desserts are very good too!

Olivia - Vanessa

We have lunch at 2.00pm and every day is different. Some days are better than others but every day is okay. My favourite food is paella which we had on the first day, it was really good. I didn’t like the lasagne which is strange because I usually like it. The quantity of food is okay and when I finish I feel full and that’s the reason why I don’t usually have a dessert. At lunch I always drink a lot of water because it’s very hot in Jávea. I really love the water

when it’s cold with ice in it.

Olga (13) - Mike W

We have lunch at 2.00pm and we have a varied diet. Some days I like, such as spaghetti and pasta, whilst others are okay.

Elsa Ferrer (13) - Mike W
