MIKE'S CLASS

My name is Maialen, I'm 15 years old and I'm from Basauri near Bilbao. I flew to Alicante with my sister where a Chit Chat person took us to our host families. I felt nervous because it was the first time I had been in a plane. The host family was very nice. The best thing about Chit Chat is our free time! The worst thing are the lessons! But I like the food and the activities are so much fun, for example I have taken up going in the sea. Some classes are more boring than others but I think we learn a lot. The weather is perfect and I would like to come back.

Hi! My name is Maria, I'm 14 and I'm from Gandía. I came to Chit Chat because my mum's friend recommended it and my friend told me that it was a very nice camp. I wanted to experience it. I felt relaxed when we arrived; my host family is so nice and so funny. They have an organised house and I like it a lot! The best thing about Chit Chat are the friends which we have made and I like the activities a lot. The worst thing is waking up early (at 8 o'clock!). I love the classes because they are so funny. I would come back because I have loved the experience.

thing is living with children of the same age. The worst is the lessons because we spend four hours learning English but then without the classes, there would be no Chit Chat! The food is good but we don't need so much of it. I would like to come back but I'm 15.

My name is Oihane, I'm 14 and I'm from Basauri near Bilbao. I travelled to Chit Chat by plane so it didn't take so long and then we came to Benitatxell by car. I came to Chit Chat because my parents want me to improve my English. I felt nervous when I arrived but also excited because I didn't know who my family would be. They are very kind and friendly. The best thing about Chit Chat is meeting new people and the activities after lunch. The worst thing is the lunch and the studying. I think that I would come again because every year would be different with other families. And this way you could do a lot of other activities.

My host family are very kind and they have a lot of animals, dogs, cats, etc. And I love it! My favourite moment of Chit Chat is when we go to the beach with my friends. “ALL IS POSITIVE!”

Learning English the fun way at Chit Chat

I'm Nerea, I'm 15 and I come from Titaguas. I came to Chit because my mother wanted me and my brother to improve our English. When I arrived at Chit Chat I was very happy because my host family is great! The best things are the afternoons, Mike's classes and all my friends because I have made a lot of friends and I enjoy the afternoons with them. The worst thing is the food; I don't like it but the food of the host family is excellent. The classes and activities are very good and the weather is hot but everyone has the water bottles so we're good. If I could come again, I would. But I'm 15 and I can't!

I'm Alba, I'm 14 and I come from Anglesole, a small village near Lleida in Catalunya. I decided to come to Chit Chat again because it's fun and you are learning when you're not realising it. Also because of the new people and the experience of the host family. When I first came last year I was so nervous but this year I was more relaxed and excited to start. In my host family I'm with two more girls. The house is very big and nice, they are magnificent people and it's easy to talk to them. In Chit Chat there's nothing I hate, all is positive; the teachers, the food, the facilities, etc. I would like come again but I don't know exactly when I will do next year.
